Futuristic Black and White Apartment

home-designing.com • This unique black and white apartment, from company Geometrix may be a design option for some who love the futuristic style and may bring to mind spaceships. The apartment, with its overwhelming white glossy finishes (not only on the floors, but also the ceilings and walls), is like a protective cocoon, airtight, sealed, and compactly built perhaps to shield one from any potentially dangerous outdoor elements... The installation of lights in the ceilings and wall panels, often zig zag to create the illusion of being within either a nightclub or a spaceship.

Young Workspaces

home-designing.com • Young people take a lot of pride in the way they set up their room. Though grown-ups often feel that a child's space should feed and nurture their creativity, curiosity, and ability to focus, the space ...

The Version 4.0 update is said to be a direct response to the overabundance of news sources -- from magazines to online outlets and social media -- and serve as a way to effortlessly get you to the things you love.. Users can choose desired publications to subscribe to from the available library, or they can add their own RSS, video, and photo feeds, Google streams, and current Google Reader subscriptions.. Google Analytics can also be added to the account to provide information on devices used, content popularity, and location of readers.

Currents is a news aggregation app that pulls together content from more than 180 publications, Google streams, and YouTube in a manner that's very similar to the popular iPad app, Flipboard.. Score: 2 Votes (Like Disagree) FlipboardJack 47 months ago
It's an OK update on the iOS side, but not on the web.. Buy from our preferred vendors, including The Apple Store and MacMall But on the political front, over the past few months I have been steering way clear: Score: 1 Votes (Like Disagree) imronburgundy 47 months ago
Oh great, another site/app that will feed us what we want to hear and shield us from what we don't.. In addition, there is also a self-service platform available that will allow publishers, regardless of size or technical resources, to post their own content that can be then subscribed to using Google Currents.

Here users can search and specify specific passions and topics they care about (photography, movies, etc.. On the Home carousel users can have up to nine Smart Magazines Since then, Flipboard has gained a bevy of competitors in the online news aggregation space, including Apple News.. Google Currents optimizes the content for the small screens and even allows browsing of content while offline.. The new tool is said to be curated by experts and enthusiasts With over 30 million magazines created, thousands of publishers on our platform, and tens of thousands of topics plus input from social networks like Twitter, YouTube and LinkedIn we re-imagined Flipboard to more effortlessly get you to the things you love.. The app also has a Trending feature that lets you stay current with what's happening and browse topics of interest, such as World, Business, Sports, Technology, etc. [Download js convert text to number](#)
